As the CEO of Achieve Systems, which is voted the #1 opportunity in the wellness industry for people wanting to grow clients and business I want to provide you an opportunity to earn a \$5000.00 scholarship to grow your business.

COVID-19 has hurt many businesses in our industry and closed many others. This scholarship is provided to give you our \$5000.00 business building program for no investment. We have never done this in our 28 years in business.

We are doing this to support business owners in our industry by plugging them into our millions of dollars of resources. If you want to Up-Level your business this is an opportunity we recommend you look very close at.

We are giving 50 scholarships for a total of \$250,000.00 and we would love you to possibly get one of them.

- ROBERT RAYMOND, CEO

What do I get when I am awarded a full scholarship?

You would get full access to our gold level program that is \$5000.00. The 5k is completely waived and paid for by our scholarship committee.
